As a ministry of Messiah Lutheran Church, the purpose of our preschool is to offer neighboring communities a Christian preschool program which will provide qualified staff to help the children make a healthy transition from home to a school situation and which will provide a curriculum designed to meet their developmental and spiritual needs. Our classes regularly pray before snacks; we celebrate all Christian holidays and throughout our teaching we stress Christian values and talk about God and Jesus with the children. Once a month, the children meet with our pastor in the church sanctuary for a brief lesson and sharing which we call Jesus Time. Messiah Lutheran Preschool does not discriminate on the basis of race, color, or national or ethnic origin in the administration of its educational policies, admissions policies, financial assistance programs and other school administered programs.
