

Main Fours

(Designed for students that turn 4 by September 1st)

*Our Main Fours class is available as a 3 day option

Class Description:

The children in our Main Four's class will be exposed to all of the skills needed to provide a successful transition to Kindergarten. Students will experience hands-on learning while engaging in language arts, math, science experimentation, dramatic play and social skill development. **This class can also be beneficial for families seeking an additional year of skill-building prior to Pre-K enrollment.**

Curriculum Highlights:

- Engaging in cooperative play
- Communicating effectively and problem solving with teachers and peers
- Character skill emphasis
- Letter recognition and sound practice through play utilizing Jolly Phonics
- Transition to independent letter formation and writing
- Journaling
- Dramatic play
- Developing inventive spelling and illustrations to convey meaning
- Exploration of children's literature
- Developing independent self-help skills
- Fine motor skill development, including independent scissor skills
- Gross motor skill development through outdoor explorations
- Math skills (counting, number recognition, sorting, classifying, replicating patterns)
- Spiritual growth
- Cooking projects
- Science exploration through hands-on experimentation and use of our five senses
- Build and develop observational skills
- Predicting and hypothesizing
- Child-driven art experiences
